

Eagle Snapshot

Nov. 16
2020

Dear JM Eagle Families,

In the past few months we—as a staff—have been preparing for students to return to school in various formats. Based on the Superintendent's recent communication, all of this planning is pending the status of our county in the state's color coded tier system. As of yesterday, we were placed back in the purple tier, which prevents us from a return to in-person instruction. Due to the constant changes of COVID—19 and the changes in our states designation of being in the purple tier, our plans that we develop continue to evolve and change. With that being said, the district and teachers have laid out the following plan:

- Special Day Classes will attend on M,T, Th, & F (Wednesday is a distance learning day). The hours will be based on a minimum day schedule.
- General education classes will attend on either Hybrid A schedule (M, Th) or a Hybrid B schedule (T, F). All students will be distance learning on Wednesdays. The hours will be based on a minimum day schedule. **Siblings will be paired with one another to ensure they come on the same days. Families who selected to be on distance learning in July will still be given that option to continue in distance learning five days a week.**
- Currently, we are set to return students on Nov. 30th. However, if we remain in the purple tier within our county then returning on Nov. 30th will not happen.

When the time comes for students to return, we will share our outline for a safe return. This will include what our protocols and procedures will be, expectations for staff and students, as well as anything else that relates to returning in a safe manner. I can say one thing for sure, however, which is we are all looking forward to seeing all of our students. Continue to stay safe everyone!

Well done Alpine and Big Basin! Your houses have won for the last two weeks!
